Sir:

In response to the Notice to File Corrected Application Papers dated April 12, 2001,
enclosed are the following:

A copy of the Notice to File Corrected Application Papers
Substitute drawings pages for Figures 3, 4, 5, 6, and 7

REMARKS

Applicants submit copies of formal drawings for Figures 3-7 of the above-referenced
application. Applicants note that the drawings as filed were previously accepted by the Patent
Office as formal drawings in the parent application. All of the drawings were believed to be
formal as filed.

The Notice sent to Applicants regarding informalities in the drawing did not indicate which drawings were considered to be informal. Based on the description given, Applicants have assumed that Figures 3-7 were objected to. Descriptive matter has been minimized in these figures. Applicants believe this response fully meets the requirements of the Notice mailed.

It is believed that a fee is not required for this submission. If this is incorrect, please deduct the required fee from deposit account 07-1969.

Respectfully submitted,
